Report of the Town Planning Officer on Kodialbail East and West ward Town Planning schemes.

The preparation of the up-to-date maps of the scheme areas and the marking of the tentative proposals therein to suit the later developments have been fánalized and the two scheme maps have been submitted to the Director of Town Planning for approval and suggesting final layouts for the scheme areas. The draft schemes have to be prepared, published and submitted to Government after the receipt of the reply from the Director of Town Planning. The procedure involved is likely to take some time and the time granted in G.O.Rt.No.174, P.H., dated 18-5-50 expires by 31-3-1951. It is therefore suggested that the Council may be requested to grant extension of time till 31-3-1952 for the preparation, publication and submission of the schemes to the Government.
